

MATERIAL SAFETY SHEET
COA0022 Prekallikrein-Substrate

Physical properties (at room temperature)			
Physical appearance	Lyophilized powder		
Fire hazard	None		
Chemical properties			
Stable	Yes	Corrosive:	No
Hygroscopic	Yes	Oxidising:	No
Flammable	No	Irritant:	No
Other (specify)	N/A		
Handling:	See above		
Toxicological properties			
Effects of inhalation:	N/A		
Effects of ingestion:	See above		
Effects of skin absorption:	See above		
Suggested First Aid			
Inhalation	<i>Seek medical advice</i>		
Ingestion	<i>Seek medical advice</i>		
Contact with eyes	<i>Wash with copious amounts of water. Seek medical advice.</i>		
Contact with skin	<i>Wash thoroughly with water.</i>		
Action on Spillage and Method of Disposal			
<i>Spillage of vial contents should be taken up with absorbent material.</i>			
<i>Absorbent materials used to treat spillage should be treated as biologically hazardous waste.</i>
